Hello,

We request an exemption of markings for our sprinter van. We are a private exclusive 18-hole Golf Club that has a small membership. We request this exemption as we are not for hire and are only using the van for our members. We do not want any other logos or markings on the van. We wish to remain simple and understated. The use of the van is done with advance reservation by a member through our Concierge.

I have attached photos of our logo on the van. Thank you for your cooperation, and please feel free to contact me should you have any questions or concerns.
